If monies are paid into your Account in a currency other than the denomination currency of the Account, for example when money is sent to your Account from an account outside the UK ("Receiving money from outside the UK") we will use a Reference Exchange Rate (together with a margin derived from that rate which will be notified to you) to convert those funds into the currency of the relevant Account when crediting them to that Account. You can ask us for an indication of the Reference Exchange Rate at any time by calling us, but as the rate changes to reflect currency market movements, we will not be able to confirm to you the Reference Exchange Rate until we receive the payment.
- 2.2.4. In respect of electronic payments:
 - a) we accept payments into your Account via BACS, CHAPS, SWIFT, Faster Payments and SEPA credit transfer in accordance with the rules of those systems;

 - b) UK sterling cheques paid into your Account will clear via the image-based clearing system. This system allows banks to clear a digital image of a cheque rather than the original paper cheque;
 - c) if you pay a UK sterling cheque into your Account on a Business Day, you will be able to use the funds by 11.59pm on the Business Day following the Business Day on which the cheque is paid in, at the latest. You will also start earning interest from the point at which such funds become available to use. For example, if you pay a UK sterling cheque into your Account on a Wednesday, the funds will appear in your Account during Thursday and you will start earning interest during Thursday. The paying bank will be able to recall the cheque

until the cleared funds appear in your Account;

If you pay a UK sterling cheque into your Account at any of our other offices, the cheque will be forwarded to our Registered Office and will enter the image-based clearing system once it is received at our Registered Office. This means that you will usually need to add an extra Business Day to the timing set out in term 2.2.6(c).
- e) if a cheque paid into your Account is returned unpaid, we will tell you about it and the amount originally credited to your Account will be reversed, even if this will put you into an Unarranged Overdraft. A cheque cleared through the image-based clearing system can be returned unpaid up to the end of the Business Day following the Business Day on which the cheque is paid in. After that date, we will not deduct the amount from your balance unless you give us permission to do so or you were knowingly involved in a fraud concerning the cheque or payment. Please also see term 2.3.5 which deals with payments out of your Account made by cheque;
- f) if you want a copy of a cheque paid into your Account via the image-based clearing system, for example if it is returned unpaid, we may only be able to give you an image of the cheque;
- g) if you pay a foreign currency cheque, or a cheque or payment instrument which is not drawn on a UK bank, into your Account (including a Currency Account) different clearing procedures and timescales may apply. We may require you to provide us with an indemnity in respect of foreign cheques prior to paying out funds where the foreign cheque has not yet cleared. Note that we are unable to accept certain currencies, including US dollars, therefore please refer to us prior to sending in foreign cheques; and
- h) circumstances beyond our control or legal requirements may mean that sometimes, it may take longer to pay in a cheque and for funds to become available to you than the timescales indicated above. The payment of cheques into your Account will always be subject to cheque clearing cycles and the rules of the cheque clearing system used by us.

For example, if you tell us you want to Cancel a UK sterling cheque that has been paid in to their bank by the recipient on Tuesday, the latest that you will be able to Cancel the cheque is up to the end of the same Business Day. Additionally, the image-based clearing system means that we will not be able to return the original cheque to you. Instead, you will receive an image of the Cancelled cheque. We will make a charge for Cancelling a Cheque in accordance with our Fee Information Document;
- d) you should exercise care when making out cheques to ensure that they cannot easily be defaced or altered. For example, to help prevent fraud, you should draw a line through any unused space on the face of the cheque, so that unauthorised persons cannot insert additional payee names or numbers. If you are paying a cheque to a large organisation such as HMRC, or to a bank or building society, do not write the cheque as payable simply to that organisation. You should always insert the applicable Account name, together with the relevant Account or reference number (for example, pay XYZ Bank, re: J: Bloggs Account number xxxxx); and
- e) circumstances beyond our control or legal requirements may mean that sometimes, it may take longer to pay out a cheque and for funds to leave your Account than the timescales indicated above. The payment of cheques out of your Account will always be subject to cheque clearing cycles and the rules of the cheque clearing system used by us.

2.3.6. Any drawings by you on an Account should only be made against available funds, and our obligation to pay out funds from an Account shall be limited to available funds on that Account. We may refuse a payment from your Account because there is not enough money in it or it would take you past your Arranged Overdraft limit ("Refusing a payment due to lack of funds"). Further conditions apply should a withdrawal result in an unauthorised debit balance; please see term 2.8 for details.

2.3.7. In some cases, such as a Direct Debit, you may authorise another person to instruct us to debit money from your Account. When this happens, we will treat each instruction from the other person as having been authorised by you.

2.3.8. In respect of Cash Withdrawals:

- a) You may withdraw cash in sterling, euro or US dollars from your Account at our Registered Office. Wherever possible, we would ask you to give us 24 hours' notice to arrange such a withdrawal, especially for larger amounts.
- b) A Cardholder may use a Card with the PIN to withdraw cash, up to a daily limit, from Lloyds Bank and certain other ATMs. Please see term 3.1 for more information on Cards and withdrawing cash using your Card.
- c) Where you wish to withdraw an amount in sterling larger than the daily cash limit available to you on your Card (see term 3.1.8), we can arrange this for you with a branch of Lloyds Bank. We require at least 24 hours' notice to set up this arrangement. We will usually be able to set this up with a branch of your choice, however, there may be instances when this is not possible and in these cases we will suggest an alternative branch and/or the facility may not be available at 24 hours' notice. You will not be charged for this service.
- d) If you require a facility which will enable you to withdraw cash in sterling as per term 2.3.8(c) on a more regular basis, we can arrange this for you. This is known as an open credit facility and we require at least 10 Business Days' notice to put this arrangement in place. This arrangement is only available to the extent that funds are available within your Account to cover withdrawals and we reserve the right to withdraw this facility upon two months' notice to you, or to suspend the service with no notice in accordance with terms 4.9.3 and 4.9.4.

- e) Further conditions apply should a withdrawal result in an unauthorised debit balance; please see term 2.8.3 for details.

2.4. Limits

For risk management purposes we apply internal controls regarding our banking services, including limits to certain types of payment, which may be amended by us from time to time. For security reasons we do not disclose these controls.

2.5. Payment Instructions

- 2.5.1. In order for us to be able to execute a Payment Instruction properly we need you to provide us with certain information. You must notify us of the Account name and number you wish the payment to be debited from, the amount and value date you wish the payment to be made together with the following information:
 - a) for a payment in sterling to another account held by us, or to another UK bank, the recipient's account number, name, bank sort code and reference where relevant (for example an invoice); or
 - b) for a SEPA credit transfer, the recipient's full name, address and the International Bank Account Number (IBAN); or
 - c) for a payment to a non-UK bank, the recipient's name and address, account number, the recipient bank's name and address, SWIFT code/Bank Identifier Code (BIC), as well as International Bank Account Number (IBAN) for non-US recipients.
- 2.5.2. You must ensure that you provide us with the correct payment details referred to in term 2.5.1. If you do not provide the correct payment details this may result in delay or loss to you and we will not be liable for failing to make a payment or making an incorrect payment. We are not responsible for checking the recipient name or other account details.
- 2.5.3. We will consider that you have consented to a Payment Instruction or series of Payment Instructions where you have provided us with instructions by one of the following methods:
 - a) during a face to face meeting with your Private Banker;
 - b) during a telephone conversation with your Private Banker or their team;
 - c) by providing us with written instructions including signatures as specified in the Mandate; or
 - d) by providing us with instructions via the Online Banking Service or the Mobile Banking Service.
- 2.5.4. Cut-off times apply to different types of Payment Transactions, as detailed in the Payment Times Document. The Payment Times Document is available on the Website, from your Private Banker or on request. You can also ask us for the relevant cut-off time when you give us a Payment Instruction.
- 2.5.5. Payment Instructions received by us after the relevant cut-off times in the Payment Times Document will be deemed to be received by us and will be processed by us on the next Day (where the cut-off time in the Payment Times Document refers to Day) and the next Business Day (where the cut-off time in the Payment Times Document refers to Business Day). On Christmas Eve and New Year's Eve, or the nearest preceding Business Day if either falls on a weekend, the office will close at 2:00 pm, therefore the cut-off times will be as listed in the Payment Times Document or 1:00 pm. If you send us a Payment Instruction for a future-dated Payment Transaction, the time of receipt will be treated as the date of the Payment Transaction or if this date is not a Business Day, the next Business Day.
- 2.5.6. From time to time we may confirm the authenticity of a Payment Instruction prior to us acting on it by telephoning you.
- 2.5.7. We reserve the right to refuse to follow a Payment Instruction, or delay a payment, where we have reasonable grounds to do so, for example:
 - a) where there is a legal or regulatory requirement which prevents us from making the payment or means that we need to carry out further checks;
 - b) where you have provided us with incorrect or insufficient information in order for us to be able to correctly execute the transaction;
 - c) where there are insufficient funds in the Account;
 - d) where we have concerns about a possible breach of the law or damage to our reputation (including where you request a payment to be made to a high risk or sanctioned jurisdiction); or
 - e) where we have concerns about security, unauthorised use of the Account, fraud, or other legitimate concerns.

If we refuse to follow a Payment Instruction we will normally telephone you with reasons for the refusal and what you need to do to enable us to carry out the Payment Transaction before the next Business Day and no later than three Business Days

following receipt of the payment order. We will not however notify you if to do so would or may be unlawful. We will not be liable to you where we refuse to follow a Payment Instruction in the circumstances described in this term 2.5.7(a)-(e).

- 2.5.8. We will, where practical, endeavour to cancel a payment if you request us to do so and such request is received prior to the relevant cut-off time (please see terms 2.5.4, 2.5.5 and the Payment Times Document). However, you recognise that there is no commitment given by us that the payment will be cancelled. If you want to cancel or amend a Payment Instruction you should telephone your Private Banker as soon as possible during normal business hours. You agree that any request for cancellation of a Payment Instruction must include all details of the Payment Instruction provided with the instruction (as set out in term 2.5.1).
- 2.5.9. Where you have asked us to make a payment on a future date you can revoke such a Payment Instruction in accordance with the times set out in the Payment Times Document.
- 2.5.10. A Card Transaction cannot be stopped or cancelled. Please see Section 3 for provisions concerning Card Transactions.

2.6. Payment timescales

- 2.6.1. The execution time for payments made from your Account depends upon the method of transmission and the currency involved. Please refer to the Payment Times Document for more information.

2.7. Statements and other communications

- 2.7.1. We will provide monthly statements to you in respect of your Account, which will be made available through the Online Banking Service where you are registered for the Online Banking Service. Account transactions are also available to view via the Digital Banking Service and are updated throughout each Business Day. If you require a different frequency or paper statements, please speak to your Private Banker.
- 2.7.2. It is very important that you check your monthly statements carefully and inform us as soon as possible if the statement shows any transactions which are incorrect or unauthorised. Failure to tell us about incorrect or unauthorised transactions may mean that you will not be entitled to any redress. Please see Section 4.1 for details about our liability for incorrect or unauthorised transactions.
- 2.7.3. If you are a Personal Client, we will make available to you via the Online Banking Service an annual Statement of Fees free of charge. If you require a paper version of this statement, please speak to your Private Banker.
- 2.7.4. The Glossary of Terms is made available to you on our Website. If you require a paper version of this, please speak to your Private Banker.
- 2.7.5. When we contact you in relation to your Account and our banking services such as telling you about changes to terms and conditions, sending you information, letters or notices, we may use any contact details we have for you. This includes your postal address, your telephone numbers and your e-mail address. We may also send you messages via the Online Banking Service and Mobile Banking Service.
- 2.7.6. If we need to contact you because of a suspected fraud or because of security concerns relating to your Account, we will usually do this by telephoning you but we may use other secure methods of communication if we cannot reach you by telephone. As part of this we may have to ask you to verify your identity so we can be sure we are talking to you but we will never ask you to disclose a password or other information in full.
- 2.7.7. If we need to investigate a transaction on your Account, you agree to co-operate with us and with the police and with any other regulatory or supervisory body (if we need to involve them).

2.8. Overdrafts

- 2.8.1. We may agree with you an Arranged Overdraft limit applicable to your Account from time to time. Please contact your Private Banker if you would like to request an Arranged Overdraft.
- 2.8.2. We may refuse to make any payment or effect any transaction which would result in an Unarranged Overdraft or cause you to breach an Arranged Overdraft limit.
- 2.8.3. When we, in our absolute discretion, agree to allow a payment to be made from your Account although there is not enough money in it or the payment would take you past your Arranged Overdraft ("Allowing a payment despite lack of funds"), then we will charge you interest on the full unarranged balance at our unarranged borrowing rate in accordance with our Fee Information Document, which is available on our Website, from your Private Banker, at any of our branches or on request.
- 2.8.4. We may vary your Arranged Overdraft limit by writing to you at any time. Your Arranged Overdraft limit may be increased or decreased at our discretion.

- 2.8.5. Debit interest shall accrue on a daily basis and interest will be calculated on all debit balances up to your arranged limit at the interest rate agreed with you. We will debit all interest mentioned in this term 2.8 to your Account. Where we propose to debit interest to your Account, we will give you at least 10 Business Days' notice of the amount before it is deducted from your Account. When calculating interest payments on any Unarranged Overdraft, any change to the applicable reference rate will take effect without notice from the next Business Day thereafter.
- 2.8.6. All sums owing on your Account, including any applicable interest and debit balance, are repayable on demand at any time in accordance with standard banking practice.

2.9. Interest on credit balances

- 2.9.1. In respect of interest on Fixed Term Deposit Accounts or Notice Accounts please see terms 2.13 and 2.14 which apply in addition and take precedence over this term 2.9.
- 2.9.2. Interest (if any) on cleared credit balances on your Accounts will be payable in accordance with our Interest Rate Schedule, or otherwise as agreed in writing, provided such credit balances are above the minimum balance required to earn interest.
- 2.9.3. Interest rates may be applied in bands, and in such cases the rate offered will be dependent on the size of cleared funds in your Accounts. In addition, we may agree certain special or fixed deposit arrangements with you for which individually negotiated interest rates will apply. Details of the standard interest rates and bands, including how and when such interest is applied, are included in the Interest Rate Schedule which is available on the Website, from your Private Banker, at any of our branches or on request.
- 2.9.4. Interest is normally calculated daily and credited to your Account on the last day of each calendar month. Interest is normally paid gross, unless there are circumstances in which we are required to pay net interest. We are obliged to notify HMRC annually of all interest paid, unless specifically exempted from doing so.
- 2.9.5. If the applicable interest rate on your Account goes below zero, we may charge you interest on the credit balance on your Account. Should we decide to charge such interest on your Account, we will notify you in accordance with these Terms.
- 2.9.6. Any additional terms and conditions which may apply to a particular Account, including as to interest are detailed in the Interest Rate Schedule, or otherwise will be notified to you by us before you open the interest-bearing Account.

2.10. Minimum balances

We may require you to maintain a minimum balance in certain Accounts and will specify the minimum amount in relation to any other service provided by or through us. If a required minimum amount is not being maintained, we may contact you to arrange for the transfer of funds from any of your other Accounts, and/or the conversion of currency from any of your Accounts to restore the minimum balance, or we may close the Account giving notice in accordance with term 4.9.

2.11. Variation to interest rates

- 2.11.1. We may change the interest rate paid on your Account balance or applicable to your Account debit balance with immediate effect and without prior notice provided:
- in the case of any Account it is to your advantage; or
 - it reflects a change in the applicable reference rate.
- 2.11.2. Any change as referred to in term 2.11.1 will normally apply on the next Business Day and you agree that it will be notified to you in your next Account statement. Such changes will also be reflected in our Interest Rate Schedule and shown on our Website within three Business Days of the change.
- 2.11.3. Subject to terms 2.11.1, 2.11.2 and 2.11.5, we may also change the basis of how interest rates are paid and calculated on or applicable to your Accounts (including our unauthorised borrowing rate), including any applicable tiered bands. We may make such changes without notice if the change is to your advantage and in all other cases we will give you at least two months' prior written notice of any change we make.
- 2.11.4. Where we make any change as referred to in term 2.11.3 which is not to your advantage you have the right to transfer or close your Account without additional charges prior to the change coming into effect.
- 2.11.5. We will not change a fixed interest rate on your Account for the period which we have agreed to fix the rate.

2.12. Personal Savings Account (Instant Access)

- 2.12.1. You may withdraw funds from your Personal Savings Account (Instant Access) at any time by requesting that funds be transferred to your Current Account (see "Internal Transfers" in the Payment Times Document).
- 2.12.2. Your Personal Savings Account (Instant Access) will receive

interest at the rate applicable to the Account as specified in our Interest Rate Schedule or otherwise agreed with you in writing.

- 2.12.3. The interest rate may vary from time to time in accordance with term 2.11.
- 2.12.4. Any credit interest earned in respect of your Personal Savings Account (Instant Access) will be credited to your Personal Savings Account (Instant Access).
- 2.12.5. The Personal Savings Account is not designed to be used for making day to day payments to other banks. This means you cannot use this type of account to make, for example, Faster Payments, CHAPS transfers or overseas payments such as SEPA Credit Transfers. You also cannot make withdrawals, or set up a Standing Order or Direct Debit. If you require a transactional account, then please contact us to open a Current Account.

2.13. Fixed Term Deposit Accounts

- 2.13.1. The period of a Fixed Term Deposit Account is established at the start of each deposit and will be agreed between you and us in writing in accordance with these Terms. The maturity date of the deposit must be a Business Day and if it falls on a day which is not a Business Day, the maturity date shall be deemed to be the next Business Day.
- 2.13.2. A confirmation will be sent or made available to you at the beginning of each Fixed Term Deposit Account period detailing the amount of the deposit, the interest period, the interest rate or basis for calculation and the renewal instructions.
- 2.13.3. The interest rate on a Fixed Term Deposit Account will be detailed in the confirmation.
- 2.13.4. In providing and operating Fixed Term Deposit Accounts we need to impose the following instruction deadlines:
- in respect of sterling and US dollar deposits, 10.00am on the maturity date of the deposit; and
 - currency deposits other than sterling and US dollar deposits, 10.00am two Business Days prior to the maturity date.
- 2.13.5. We will endeavour to contact you shortly before the maturity of a Fixed Term Deposit Account to remind you of the forthcoming maturity date and your existing instructions, if any, and to obtain your instructions. If you wish to amend the instructions for the renewal of a maturing Fixed Term Deposit Account we must be in possession of your amended instructions by not later than the instruction deadline (see term 2.13.4).
- 2.13.6. Unless you instruct us to the contrary by the required instruction deadline at the maturity of a Fixed Term Deposit Account, we will return the funds plus interest (converting the sums to sterling where necessary) to your Current Account.
- 2.13.7. Fixed Term Deposit Accounts are designed to be held to maturity. Requests to break a Fixed Term Deposit Account before maturity may be considered and be decided upon by us at our discretion, and will only be permitted in exceptional circumstances or in the event of your death (or, in the case of joint Accounts, the death of one of you). Any breakage will be carried out in line with our breakage policy, which is available from your Private Banker or on request.

2.14. Notice Accounts

- 2.14.1. We may offer Notice Accounts from time to time.
- 2.14.2. Funds may only be withdrawn after the relevant notice period for the Notice Account has elapsed.
- 2.14.3. The funds will receive interest at the rate applicable to the Notice Account as specified in our Interest Rate Schedule or otherwise agreed with you until the Business Day before withdrawal. Credit interest will be credited to your Notice Account (or other nominated Account).
- 2.14.4. Interest is calculated from the date cleared funds are deemed to have been received, until the Business Day before withdrawal.
- 2.14.5. Interest is paid monthly and is normally paid gross, unless there are circumstances in which we are required to pay net interest. We are obliged to notify HMRC annually of all interest paid, unless specifically exempted from doing so.
- 2.14.6. If we make changes to interest rates, these will be done in accordance with term 2.11 provided that if the interest rate change is not to your advantage, we will give you advance notice of at least the same term as the notice period applicable to your Notice Account. We also reserve the right to add, amend or withdraw interest rate tiers to the Notice Account upon giving you advance notice of at least the same term as the notice period applicable to your Notice Account.
- 2.14.7. When notice of withdrawal is given, the notice period begins on the day of receipt by us (provided it is a Business Day) of the withdrawal notice. Once notice of withdrawal has been given, it is not possible for that request to be cancelled. The funds will be moved to a Fixed Term Deposit Account with the same term as the

notice period for your Notice Account. Your interest rate will not change when the funds are moved, however interest will only be paid at the end of the fixed term instead of monthly. The AER is adjusted to take this into account.

- 2.14.8. Funds (including interest) will be paid out on the expiry of the notice period and placed into your Current Account. Where the final day is not a Business Day, funds will be paid out on the next Business Day.
- 2.14.9. Requests relating to withdrawals or closure that are received outside of any specified notice period, may be considered by us and decided at our discretion, and will only be permitted in exceptional circumstances or in the event of your death (or, in the case of joint Accounts, the death of one of you). Any breakage will be carried out in line with our breakage policy, which is available from your Private Banker or on request.
- 2.14.10. We reserve the right to close the Notice Account to new funds before the nominated closure date.

2.15. Currency Accounts

- 2.15.1. Subject to agreement with us, Currency Accounts can be denominated in most of the main global currencies – for example US dollar and euro.
- 2.15.2. Subject to agreement with us, Currency Accounts can be opened as a Current Account, a Notice Account or Fixed Term Deposit Account.
- 2.15.3. Interest may be payable on cleared credit balances on Currency Accounts which may apply in tiers. These tiers, and the interest rate applicable to each tier, are set out in the Interest Rate Schedule, which is available on the Website, at any of our branches, or directly from us upon request. The funds will receive interest at the rate applicable to the Currency Account until funds are withdrawn.
- 2.15.4. If you have a Currency Account and the applicable credit interest rate on that Currency Account goes below zero, we may charge you interest on the credit balance in that Currency Account.
- 2.15.5. Where you wish to pay into a Currency Account in sterling (or in any other currency other than the denomination currency of the Currency Account) your attention is drawn to term 2.2.3.
- 2.15.6. Payments from, or payments into your Currency Account cannot be made by way of BACS or CHAPS or via Faster Payments. Where your Currency Account is able to make and receive electronic payments (for example, where your Currency Account is a Current Account) all such payments will be made and received via SWIFT or SEPA credit transfer.
- 2.15.7. All permitted withdrawals and Payment Instructions from Currency Accounts will be transacted in the currency in which your Currency Account is denominated, unless we specifically agree otherwise with you.
- 2.15.8. SWIFT payments will be made in the currency of the Account that you are debiting (for example, where you issue a Payment Instruction to send euros to Spain, if you have a euro Current Account, this will be debited in euros from your euro Current Account), unless we specifically agree otherwise with you.
- 2.15.9. Where a currency conversion is required for a SWIFT payment out of your Currency Account, you will receive a foreign exchange confirmation. This will inform you of the exchange rate used and, where required, any currency conversion charge taken for completing the transaction.
- 2.15.10. In the case of ATM withdrawals from a Currency Account in sterling (or any other currency other than the denomination currency of the Currency Account), your attention is drawn to term 3.1.9.
- 2.15.11. You may transfer money between Currency Accounts denominated in the same currency (for example, you are able to transfer funds from a Current Account denominated in euro to a Notice Account denominated in euro).
- 2.15.12. A monthly fee for Maintaining the Account may be payable for your Currency Account (as set out in the Fee Information Document). This fixed monthly charge is debited in sterling from your sterling Current Account. Other fees and charges in relation to your Currency Account are applied to your Currency Account in the currency equivalent at the time that the fee is applied.

2.16. Client Accounts

- 2.16.1. Subject to agreement with us, and where you are a company, partnership or sole trader, we may provide you with a Client Account(s) for the purpose of holding money belonging to your clients but under your control.
- 2.16.2. A Client Account may (as requested by you in writing and agreed to by us) be either:
 - a) a designated Client Account – which is a Client Account used to hold client money of a single client in a single Client Account; or
 - b) a general Client Account – which is a Client Account used to

hold client money of a number of clients in a single Client Account.

- 2.16.3. Interest (if any) will be payable in respect of Client Accounts in accordance with our Interest Rate Schedule or otherwise as agreed in writing between you and us.
- 2.16.4. You confirm and agree that:
 - a) you, and not us, are responsible for conducting all due diligence on your clients which may be necessary to comply with applicable laws and regulation;
 - b) you will only use a Client Account to hold money belonging to your clients;
 - c) in addition to your obligations under these Terms, you will operate each Client Account in accordance with the terms of your agreement with your client and any legal, regulatory or professional obligations which you owe to your client.
- 2.16.5. Our rights of set-off in term 4.6 shall not apply in respect of any credit balance on a Client Account.

Section 3. Card Information

3.1. Cards

- 3.1.1. Where you have opened a Current Account, we may, where agreed by us, issue a Card to you, any joint Account holder, any person named on the Mandate or other person (such as your child) requested by you in writing.
- 3.1.2. Where you have opened a Current Account which is also a Currency Account we may, where agreed by us, issue you with a Currency Card in the currency of the Currency Account. All transactions to the Card will then be debited from your Account in that currency pursuant to term 2.15.6.
- 3.1.3. A request to issue a Card must be accompanied by the prospective Cardholder's signature and such evidence of authority from you that we specify.
- 3.1.4. The transactions undertaken by any Cardholder remain your responsibility. You undertake to ensure that all Cardholders adhere to these Terms in respect of the use and protection of each Card issued.
- 3.1.5. We may from time to time:
 - a) issue a PIN if requested by you or a Cardholder;
 - b) renew a Card when it expires;
 - c) replace a damaged Card, if requested by you or a Cardholder;
 - d) replace a Card and change the PIN and Card number upon request if we reasonably believe that any of these is likely to be misused and that the replacements will not be misused;
 - e) replace a Card and change the PIN and Card number in the event that we are satisfied by VISA that the Card may have become compromised; and
 - f) replace a Card and change the PIN and Card number in order to enhance the security of the Card.
- 3.1.6. A Cardholder may only use their Card, PIN, and Card number before the expiry date shown on the Card. You undertake to ensure that each Cardholder will only use the Card and the PIN in accordance with these Terms.
- 3.1.7. All Cards will remain our property at all times.
- 3.1.8. A Cardholder may use a Card with the PIN to withdraw cash, up to a daily limit, from Lloyds Bank and certain other ATMs. If a Cardholder withdraws cash from a machine operated other than by Lloyds Bank, you may be charged a fee. The Cardholder should be notified of this fee at the time of withdrawal and the amount of the fee will be added to the withdrawal amount and debited to your Current Account. We are not liable for any failure to notify the Cardholder of any fee payable.
- 3.1.9. If an ATM withdrawal or Card Transaction is made in a currency other than the denomination currency of the Account (including where a Card is used to make a withdrawal at an ATM outside the UK), we will convert the amount from the currency in which the transaction was made to the currency in which the Account is denominated on the day we receive notice of the transaction. We will use the VISA foreign exchange rate, and charge a currency conversion charge in accordance with our Fee Information Document. Exchange rates may rise or fall, and the exchange rate when the transaction is made may differ from the exchange rate used for conversion. Your statement will contain the exchange rate used for the Card Transaction and the applicable currency conversion charge. For more detail on the VISA foreign exchange rates, and on the applicable currency conversion charges, please refer to our Website. Your currency conversion charge will be shown as a percentage mark-up over the latest available foreign exchange rate issued by the European Central Bank (ECB). This will allow you to see the variance between the VISA foreign

exchange rates used for conversion relative to the ECB rates.

- 3.1.10. Where a Cardholder uses a Currency Card to withdraw cash from an ATM outside the UK you should be aware that additional charges may apply in addition to those charges set out in our Fee Information Document, notwithstanding the fact that you may be withdrawing cash in the denomination currency of your Currency Card.
- 3.1.11. A Cardholder may use their Card or Card number to make Card Transactions, up to a daily limit, with suppliers of goods and services.
- 3.1.12. When a Card Transaction needs to be authorised by the bank or its agents, it will check the Card's available balance. The Card's available balance is made up of the sum of the applicable Current Account and Personal Savings Account (Instant Access) balances and any Arranged Overdraft on that Current Account, less any posted spend and any other pre-authorised transactions. Accounts that will not be included in the available balance calculation include (but are not limited to) Fixed Term Deposit Accounts, Client Accounts, Notice Accounts and fixed term lending.
- 3.1.13. ATM withdrawals and Card Transactions will normally be debited from your Account within two Business Days. It may take longer than two Business Days however, and the debit may be delayed if the transaction is made abroad, or if the person who provides the ATM or the supplier delays in asking for payment, or for any other reason.
- 3.1.14. You undertake to ensure that a Cardholder must not use a Card or Card number to overdraw, except to the extent that we have agreed an overdraft on your Account in advance.
- 3.1.15. We will debit from your Current Account the amount of each transaction made by use of a Card or Card number and all other amounts due to us under these Terms. We may debit these amounts:
 - a) from money in your Current Account;
 - b) from any Arranged Overdraft for your Current Account, if there is any available; or
 - c) by causing an Unarranged Overdraft, or by increasing an Arranged Overdraft to a level that we have not agreed in advance.
- 3.1.16. You must, as soon as we ask, repay any overdraft which arises as a result of term 3.1.15(c) above. We may choose to debit any amount in priority to other drawings.

3.2. Liability in respect of Cards

- 3.2.1. We will not be liable to you for:
 - a) any refusal or delay by any other person to accept the Card, PIN, or Card number;
 - b) the way in which any other person communicates that refusal or delay, or communicates any refusal to authorise a prospective transaction; or
 - c) any loss caused by a fault in any machine or system, except direct loss caused by a fault which was not obvious or not advised by a message or notice on display.
- 3.2.2. So far as we are liable to you for loss caused by a fault in any machine or system or for loss caused by transactions which you did not authorise, our liability will be limited to the amounts wrongly debited from your Account and any interest and charges on those amounts. For the avoidance of doubt, your liability under term 4.1.6 remains unaffected.
- 3.2.3. Provided that neither you nor any Authorised Person or Cardholder has acted fraudulently, you will not be liable for any losses which arise:
 - a) Where a Card has been lost, stolen or misappropriated and the loss, theft or misappropriation was not detectable by the Cardholder;
 - b) from someone else carrying out a Card Transaction using a Cardholder's Card details without that Cardholder's permission where the Cardholder does not need to be present (for example, purchases over the internet, the telephone, or by mail order);
 - c) if we fail to ensure that appropriate means are available at all times to enable a Cardholder to notify us of the loss, theft, misappropriation, or unauthorised use of the Card; and
 - d) once we have received notification from you or the relevant Cardholder of the loss or theft of a Card, possible misuse of a Card, or that you or the relevant Cardholder wish to cancel a Card.
- 3.2.4. We will credit the Account with any amount for which you are not responsible pursuant to term 3.2.3, including any related charges and interest.

- 3.2.5. You will be liable for all unauthorised transactions where you, an Authorised Person or a Cardholder has acted fraudulently or (unless the Account is overdrawn) has failed, intentionally or with gross negligence, to notify us in accordance with term 3.3.2.

- 3.2.6. Except where terms 3.2.3 or 3.2.5 apply, you will only be liable for up to £35 for losses resulting from the loss, theft, misappropriation or unauthorised use of a Card.

3.3. Protection of Cards

- 3.3.1. You undertake to ensure that all Cardholders will take all reasonable care to prevent fraudulent use of their Card, PIN, and Card number. In particular, Cardholders must:
 - a) sign their Card immediately upon receipt; and
 - b) not allow anyone else to use their Card, Card number or Security Details.
- 3.3.2. Should a Card be lost or taken from a Cardholder, even for a short period, or a Cardholder knows or suspects that someone else may know their PIN, Card number or other Security Details, you or the Cardholder must notify us immediately on +44 (0)20 7012 2900 which is a 24 hour service. We may require written confirmation.
- 3.3.3. You must, and you undertake to ensure that the Cardholder will, take all reasonable steps to help us and the authorities to recover the Card. We may disclose to the authorities any information about you, the Cardholder or the Account which we reasonably decide may be relevant to recover the Card and avoid or recover loss.
- 3.3.4. If a Cardholder then keeps or recovers the Card, it must not be used again. The Cardholder should cut it in two, taking care to cut through the chip and digital strip on the reverse of the Card.
- 3.3.5. If we issue a PIN to a Cardholder, you undertake to ensure that all Cardholders will take all reasonable care to prevent its fraudulent use. For example, the Cardholder memorises the PIN and never discloses the PIN to anyone else.
- 3.3.6. You should ensure that Cardholders take care when authorising recurring Card Transactions. A recurring Card Transaction is one where a supplier authorised by a Cardholder will use the Card details to debit regular payments from your Account. Unlike Direct Debits, these payments are not covered by the UK Direct Debit Guarantee and we would recommend that you do not allow Cardholders to authorise recurring payments in this way.

3.4. Blocking or stopping a Card

- 3.4.1. We, or our agents specifically appointed for the purpose, reserve the right to stop or prevent the use of any Card where we have reasonable grounds to do so relating to:
 - a) the security of the Card or Security Details;
 - b) suspected unauthorised or fraudulent use of the Card; or
 - c) where you have an overdraft and in our opinion there is a significantly increased risk that you may be unable to meet your obligations in relation to repayment of the overdraft.
- 3.4.2. If we, or our agents specifically appointed for the purpose, detect suspected unauthorised or fraudulent use of the Card we will immediately put a temporary block on the Card and we will endeavour to contact you on the number you have provided for this purpose. In the event we cannot contact you we will send an SMS (text) message to the number you have provided and wait for you to contact us before unblocking the Card.
- 3.4.3. Where a Cardholder's PIN has been entered incorrectly three times into an ATM or other payment authentication device we will automatically assume that the security of the Card has been compromised and put a temporary block on the Card.
- 3.4.4. Subject to term 3.4.7, where we, or our agents specifically appointed for the purpose, intend to permanently stop the use of the Card we will advise you before doing so. If that is not possible, we will, where possible, notify you as soon as possible after we have put a stop on the Card.
- 3.4.5. In the circumstances set out in terms 3.4.2, 3.4.3 and 3.4.4, it is your responsibility to contact the relevant Cardholder.
- 3.4.6. If we put a temporary block on the Card, you, an Authorised Person or the affected Cardholder may request that the Card be re-activated by contacting your Private Banker during normal business hours, or by contacting our out-of-office-hours service using the contact number on the back of the Card. Cards that have been permanently stopped cannot be re-activated.
- 3.4.7. You should note that we will not be obliged to notify you or any Cardholder of decisions and actions to stop Cards in circumstances where to do so would compromise reasonable security measures or is or may be otherwise unlawful. You should note that we may be required under UK legislation (for example anti-money laundering legislation) to put a stop on Cards.
- 3.4.8. If we stop or suspend a Card, we may keep it or (if we ask) you

must ensure that the Cardholder cuts the Card in two, taking care to cut through the chip and the digital strip on the reverse of the Card.

- 3.4.9. You, an Authorised Person or the Cardholder may stop a Card at any time by telephoning us. You, an Authorised Person or the Cardholder must ensure that the Card is cut in two (taking care to cut through the chip and the digital strip on the reverse of the Card).
- 3.4.10. You must ensure that a Cardholder does not use any Card, PIN, Card number, Security Details or any function of them during a period when the Card is stopped or suspended.

3.5. Card Transactions

- 3.5.1. Below are the ways in which a Cardholder may authenticate a Card Transaction:
 - a) where the Card Transaction is via contactless payment (where within the contactless payment limits and permitted by the Card and accepted by the retailer);
 - b) via use of a payment authentication device operated with a Card and PIN;
 - c) by placing an order by telephone or by computer link, and quoting the Card number;
 - d) by using a mail order form for the Card Transaction which bears the Card number and is signed by the Cardholder;
 - e) for Card Transactions made online, using an authentication method agreed between you and us such as the Arbuthnot Latham Cards App; or
 - f) by signing a sales voucher for the Card Transaction.
- 3.5.2. A Card Transaction cannot be stopped or cancelled.
- 3.5.3. When requested to authorise a Card Transaction, we will consider the amount available for withdrawing from your Account. We may refuse to authorise a Card Transaction if:
 - a) the amount would or might result in overdrawing that we have not agreed in advance;
 - b) the amount or number of transactions means that any daily debit limit agreed between us is exceeded and, as a result we suspect fraud or unauthorised use of the Card; or
 - c) we reasonably believe that refusal is necessary or desirable to enable us to comply with any requirement of the VISA debit Card scheme (or any other relevant Card scheme), law, regulation or good practice in the UK or elsewhere.
- 3.5.4. If we authorise a Card Transaction, we may reduce the amount available for withdrawing from your Account by the amount of payment authorised, even if the amount is not yet debited.
- 3.5.5. If the recipient of a Card Transaction (such as a hotel or car hire company) wishes to “block” funds on your Account using your Card we will only do so if you have agreed the exact amount of funds to be blocked.
- 3.5.6. We will credit a refund to your Account only after we receive an appropriate authorisation from the supplier.
- 3.5.7. There may be a delay in restoring the amount available for withdrawing or in crediting a refund if the supplier delays in giving the authorisation or for any other reason.

Section 4. General

4.1. Disputed transactions

Your rights and our liability will depend on the particular circumstances.

- 4.1.1. There are a variety of circumstances which may involve Payment Transactions being disputed or where you seek a refund, for example in cases of fraud, payment duplication, processing error, theft of a Card or if goods and services are damaged, not as described or have not been delivered. Your rights and our liability will depend on the particular circumstances involved.
- 4.1.2. Your obligations, rights of redress and limitations on our liability are set out below. In addition Section 3 contains additional specific provisions in relation to Card transactions.

Notification of unauthorised or incorrectly executed transactions

- 4.1.3. You must notify us as soon as possible in writing or by telephone (+44 (0)20 7012 2500) of any unauthorised or incorrectly executed transactions. For other disputes about Card transactions, in accordance with VISA regulations you must personally attempt to resolve your dispute with the merchant first before notifying us, unless local law prohibits or amends this requirement and provide us with evidence of your attempt to resolve your dispute. We will consider and respond promptly to notifications of disputed transactions which are notified to us in accordance with these Terms.
- 4.1.4. In respect of transactions in sterling, euro or another EEA

currency, carried out within the EEA (other than transactions involving cheques or in relation to Fixed Term Deposit Accounts), you must notify us within 13 months after the debit date on becoming aware of any unauthorised or incorrectly executed transactions. If you do not notify us within this time period you will not be entitled to a refund from us. This is also the case for transactions you have initiated via a Payment Initiation Service Provider.

Liability for unauthorised transactions

- 4.1.5. Subject to the remainder of this Agreement, where you notify us that a payment has been made from your Account which was not authorised by you, as soon as we are reasonably satisfied that you did not authorise the payment we will restore your Account to the state it would have been in had the unauthorised payment not taken place (for example, by refunding any charges or interest you have paid as a result but will have no further liability to you) but this may be reversed upon further investigation. We will normally refund your Account by the end of the following Business Day. On occasion we may decide to carry out a more detailed investigation, which we will do as quickly as possible.
- 4.1.6. You will however be liable for all payments and any losses in respect of unauthorised payments where you, an Authorised Person or a Cardholder have:
 - a) acted fraudulently;
 - b) let someone else (apart from a Third Party Provider) access your Digital Banking Services or anyone else use your Card;
 - c) been grossly negligent with (or intentionally shared) your Card or the Security Details you use to access the Digital Banking Services;
 - d) intentionally or with gross negligence failed to tell us as soon as possible of the loss or theft or theft of your Card, security information, or that you suspect someone has tried to use any of them.
- 4.1.7. Please see in addition term 3.2 in respect of your liability regarding Cards.

Payments initiated through the recipient

- 4.1.8. Where a Payment Transaction is initiated by or through the recipient of a payment, (for example, a Direct Debit or a Card Transaction) the exact amount of the transaction may not be specified at the point of sale. In such circumstances, the following provisions apply:
 - a) if the amount of the transaction exceeds the amount you could reasonably have expected in all the circumstances, subject to the remainder of this Term you can request a refund from us of the full amount of such transaction;
 - b) the right to a refund under term 4.1.8(a) does not apply if:
 - i) you have given consent direct to us for the transaction to be executed;
 - ii) if applicable, details of the Payment Transaction have been provided or made available to you at least four weeks prior to the debit date; or
 - iii) the amount of money you are disputing is a result of changes in the relevant exchange rate.
 - c) in order to be entitled to a refund under term 4.1.8(a) you must have requested a refund within eight weeks of the debit date, and must have provided, if requested by us, information reasonably necessary for us to establish if you are entitled to a refund under term 4.1.8(a); and
 - d) we will either effect a refund or notify you of a refusal to make a refund within 10 Business Days of the date of receiving a request for a refund or, if applicable, the date of receiving further information requested by us under term 4.1.8(c).
- 4.1.9. In relation to Direct Debits the right to a refund under the UK Direct Debit Guarantee scheme shall continue to apply. For the avoidance of doubt, this right does not apply to recurring card transactions as specified in term 3.3.6.

Failure to provide correct payment information

- 4.1.10. It is very important that you provide the correct information we need (as specified in term 2.5.1) in order for us to execute payments correctly. If you do not provide the correct information or if the information you provide is insufficient we will not be responsible for the consequences (such as the payment being delayed, or sent to the wrong person). However, if requested by you, we may make reasonable efforts to recover the funds for you (but we may not refund any charges applied by us in making the payment). We may charge you for our reasonable costs incurred in doing so.

Failure of payment to reach the intended recipient

- 4.1.11. In relation to Payment Transactions initiated by you, if you notify

us that a payment has not been received or the transaction has otherwise been incorrectly executed we will investigate this to see if the funds have reached the recipient's bank and will notify you of the outcome. If the recipient's bank received the correct amount of funds in accordance with the timeframe specified in term 2.6 then it will be the recipient's bank that will be responsible and will need to correct the error and pay the money to the recipient.

4.1.12. If however the funds do not reach the recipient's bank and we are responsible we will refund the amount of the transaction to your Account and put your Account back into the position it would have been in had the transaction not occurred (for example, by refunding any interest or charges that you have paid as a result). If a payment is made late due to our error you can ask us to make sure that the recipient's bank adds the payment to their account as if it had been made on time. We will have no further liability to you.

4.1.13. In relation to Payment Transactions initiated by or through the recipient (for example a Card Transaction or a Direct Debit), the recipient's bank is responsible for correctly transmitting the payment order to us. If you notify us that the correct payment has not been received by the recipient, we will investigate this. If the recipient's bank can show that they correctly gave us the payment order, but the transaction was still not executed properly, then we will be responsible and we will refund to you the amount of the defective transaction and put your Account back into the position it would have been in had the defective transaction not taken place (for example, by refunding any interest or charges that you have paid as a result). We will have no further liability to you. We will then execute the transaction in accordance with the payment order from the recipient's bank and debit your Account accordingly.

Further limitations of our liability

4.1.14. We are not responsible in any circumstances for any losses you suffer if we are prevented from providing the Account or any of our banking services, by reason of abnormal and unforeseeable circumstances beyond our control, including without limitation strikes and other industrial action, failure of power supplies, failure of banking payment transmission or clearing systems, failure of telecommunications or other equipment, acts of God, war or terrorism or other causes beyond our control.

4.1.15. We will not be liable to you in any circumstances for:

- a) loss of business, loss of goodwill, loss of opportunity, loss of profit; and/or
- b) any type of loss which we could not reasonably have anticipated when you gave an instruction.

4.2. Collecting money paid into your Account by mistake

4.2.1. If another bank tells us that money has been paid into your Account by mistake we can take an amount up to the amount of the mistaken payment from your Account. We do not have to tell you before we do so but if we do try to check with you, we can stop you from withdrawing those funds while we try to contact you. We will deduct the funds when we are reasonably satisfied that there was a mistake. If we are not able to return money which the payer's bank believes has been paid into your Account by mistake, we are required to provide information to the payer's banks about you, your Account and the payment in order that the payer can seek to recover the money.

4.3. Third Party Providers

4.3.1. If you are registered for our Online Banking Service you can choose to use a Third Party Provider. Please refer to the Digital Banking Terms for more information.

4.4. Representations

4.4.1. You agree to accept and to be bound by the Agreement and represent that you have full power and authority to enter into the Agreement with us and to give us instructions as provided for in the Agreement.

4.4.2. Where applicable, you represent that you are duly organised and validly existing under the laws of your jurisdiction of incorporation.

4.4.3. In relation to information, you undertake that:

- a) all information (including where relevant any of your directors, officers or employees) which you have provided to us is complete and correct;
- b) you will notify us promptly if there is any material change in any information you have provided to us;
- c) you will provide us, in a timely fashion, with any other relevant information or documentation which we may reasonably request in order to provide you with our services; and
- d) you will provide such other additional information or documentation which we may reasonably request from time to time in order to fulfil our or your legal, regulatory and contractual obligations.

4.4.4. You acknowledge that a failure to provide such information referred to in term 4.4.3 may mean we suspend or terminate the services under this Agreement.

4.4.5. You confirm that, save as otherwise disclosed to us in writing, you will be acting as principal and for your own account at all times in relation to the services provided by us.

4.5. IMPORTANT: Your potential financial obligations

4.5.1. By opening an Account with us, you are confirming to us that you will use your Account in accordance with these Terms when using your Account.

4.5.2. Where we have properly and reasonably incurred any loss, cost, liability, action and/or expense as a result of:

- a) your intentional misuse of your Account;
- b) your intentional breach of these Terms and the exercise and enforcement of our rights and remedies under these Terms;
- c) the intentional supply of information by you that you know to be false or misleading; and
- d) tracing and recovering any outstanding monies from you or from any joint Account holder and/or tracing and communicating with you and any joint Account holder;

you agree that you shall compensate us for such loss, cost, liability, action and/or expense. However, you will not have to compensate us in the case of our gross negligence, fraud or wilful default.

4.5.3. You irrevocably authorise us to debit from your Account any amounts and charges that are payable by you under these Terms.

4.5.4. If your Account is held in joint names, the liability under these Terms is joint and several. This means that you and any joint Account holder(s) are liable together, but also individually for all monies due.

4.6. Set-off

4.6.1. Set-off is the process whereby an obligation owing to one person by a second person is cancelled out or reduced by an amount which the second person owes to the first.

4.6.2. We may set-off any obligation owing from you to us (whether payable at such time or in the future conditional on a future event or set of circumstances) in connection with the Agreement or any transaction carried out pursuant to the Agreement against any credit balance on your Account or any other obligation owing by us to you (whether payable at such time or in the future). This will apply regardless of the place of payment or currency of any obligation and will apply to both sole and joint debts and to Accounts which are in your sole name as well as joint Accounts.

4.6.3. Where you are a Personal Client we will give you 14 Days' notice before we exercise any rights of set off under this term 4.6. Where you are a Non-Personal Client we may exercise any rights of set off without prior notice to you but you will be informed of any such transfer.

4.6.4. We may, but shall not be obliged to, consider the overall position on all your Accounts before deciding whether or not to make payments from any one of them. We may also take into account transactions that have been made, but have not yet cleared or which have not yet been debited or credited to your Account.

4.6.5. We may also set-off amounts you owe us in relation to non-banking services that we provide to you (for example, investment and wealth planning services).

4.6.6. If the obligations are in different currencies, we may convert either obligation at a market rate of exchange which we reasonably select. We may also deduct any costs incurred by us or any Associate in carrying out such set-off.

4.6.7. We shall be entitled to exercise these rights of set-off in respect of any obligation owing by you to us on your own or jointly with any other person(s) against any amount standing to the credit of any Account which you have with us on your own or any Account which you have with us jointly with any other person(s) (excluding any Client Account).

4.6.8. Our rights of set-off include the right to combine, consolidate or merge any Account or other obligations owing between us or between you or any other payment which may be received by us on your behalf but which has not yet been credited to your Account.

4.6.9. These provisions shall not restrict or limit any right which we may have by law or regulation.

4.7. Use of personal information

We are committed to protecting and respecting your privacy and we will only use your information in accordance with Data Protection Legislation. The Arbutnot Latham Privacy Notice explains the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read it carefully to understand our view and practices regarding your personal data and how we will treat it. You can find the Arbutnot Latham Privacy Notice at www.arbutnotlatham.co.uk/privacy-notice, or you can request a copy from us.

4.8. Confidentiality and use of credit reference agencies

- 4.8.1. Confidentiality of your banking affairs will be maintained except:
- where we are compelled by law or regulation to disclose information;
 - where we are subject to a duty to the public to disclose;
 - where our interests require disclosure and it is reasonable for us to do so;
 - where disclosure is made at your request, or with your consent; and/or
 - within the Arbuthnot Banking Group.
- 4.8.2. In all such cases we shall reveal only such information as is considered necessary by us in the circumstances.
- 4.8.3. We may provide information about you and how you manage your Accounts to the following:
- people who provide a service to you or are acting as your agents such as Third Party Providers, on the understanding that they will keep the information confidential;
 - anyone to whom we transfer or may transfer our rights and duties under this Agreement;
 - members of the Arbuthnot Banking Group;
 - any relevant regulatory or supervisory authority;
 - to another payment services provider when they attempt to recover money which has been transferred to your Account by them in error; and
 - to another payment provider when someone is making a payment to your Account and the information is required for your product or service.
- 4.8.4. You agree that we may provide any information in relation to you and your Account to HMRC or any other relevant tax authority in the UK or overseas and that they may be obliged to share this information with an overseas government or tax authority in accordance with the provisions of law, legislation or regulation of the UK or other applicable jurisdiction. Should we need further information from you in order to comply with such information requests, you agree to provide us with any information as we may request within 30 days of our requesting it. We will not be liable to you for any loss you may suffer if we disclose information in accordance with our legal or regulatory obligations. You agree to inform us within 30 days of any changes that would affect any tax residency certifications that have been given previously.
- 4.8.5. Where you borrow from us, we may inform credit reference agencies of the details of your facilities and how you manage them. If you borrow money and do not repay in full and on time, we may also inform credit reference agencies, who will record the outstanding debt on your credit history file (whether relating to personal credit history or corporate credit history, as applicable). Your credit history information may be viewed by third parties from whom you wish to borrow. This also applies to fraud prevention agencies if you provide false or inaccurate information or we either know or suspect fraud.
- 4.8.6. We may use credit-scoring methods to assess your application and verify your identity. Credit searches and other information which is provided to us may be used for identification purposes, debt tracing, and the prevention of money laundering, as well as the management of your relationship. For example, if we wish to consider changing your agreed overdraft limit, or offer you other products, now or in the future. We may also use your information for risk management, analytical and statistical purposes.
- 4.8.7. The information may be used to make assessments for credit and to help make decisions about you and members of your household. Information held about you by the credit reference agencies may already be linked to records relating to one or more of your partners where a financial "association" has been created. Any enquiry we make at a credit reference agency may be assessed with reference to any "associated" records.
- 4.8.8. Failure to make any payments to us, when due, could have severe consequences and may make obtaining credit more difficult. The registration of a default notice against you may affect your ability to obtain further credit.
- 4.8.9. All individuals have the right to access their personal records which are held by a credit reference agency, where that credit reference agency is also a "data controller" for the purposes of Data Protection Legislation. Such records may be viewed by the individual in question in accordance with Data Protection Legislation.
- 4.8.10. If you wish to receive details of the credit reference agencies from whom and with whom we obtain and share information about you, then please write to us at the following address: Data Protection Officer, Arbuthnot Latham & Co., Limited, Arbuthnot House, 7 Wilson Street, London EC2M 2SN.

4.9. Termination of your Account and suspension of our services

- 4.9.1. You may terminate your Account and the provision of our banking services at any time by writing to us or your Private Banker in accordance with the Mandate.
- 4.9.2. Subject to term 4.9.3, we may terminate your Account and the provision of our banking services by giving you not less than two months' written notice.
- 4.9.3. We can immediately terminate your Account, block your Account and/or suspend the provision of our banking services, at any time without notice, if:
- you breach these Terms and do not remedy such breach within a reasonable time after receipt of written notice from us;
 - you do not provide, when requested by us, information which we may reasonably require in order to continue the provision of services to you;
 - we are required to do so by law or regulation (including where we receive a notice from any governmental or tax authority requiring us to freeze your Account(s)), or where we suspect fraud, money laundering or other crime; or
 - we reasonably believe that maintaining your Account might expose us (or another company in the Arbuthnot Banking Group) to action or censure from any government, regulator or law enforcement agency.
- 4.9.4. In addition, where we have notice that there is a dispute between you (for example, between the holders of a joint Account, including but not limited to divorce proceedings) we may decide (but will not be obliged) to:
- suspend the provision of all or part of our banking services to you (and this may include the suspension of ongoing payments such as Direct Debits and Standing Orders); and/or
 - consider your Mandate void, whereupon we will not be required to act unless we are satisfied (in our absolute discretion) that any instructions given to us are untested.
- 4.9.5. Upon termination of your Account, all unused cheques, together with any Cards that may have been issued by us to you in connection with your Account, must be destroyed. You, an Authorised Person or the Cardholder must cut all Cards in two, taking care to cut through the chip and the digital strip on the reverse of the Card.
- 4.9.6. Upon termination of your Account, any unused credit on your overdraft facility will be withdrawn. Our banking services will be withdrawn and you and any Authorised Person and Cardholder must not make or enter into any further transactions or use or attempt to use any Card, PIN, or cheque.
- 4.9.7. Termination of your Account will not affect your liability to us existing immediately prior to termination and we may demand the immediate repayment of all amounts owed on your Accounts. Charges and interest on the balance outstanding will continue to accrue until irrevocable repayment is made in full and you will be liable to pay any expenses in relation to any demand and enforcement on default.
- 4.9.8. You will also be liable in respect of any transactions effected before and after the date of termination on any Account with us. If you do not pay us in response to our demand, we may charge interest on unauthorised overdrafts at our unauthorised borrowing rate in accordance with our Fee Information Document.
- 4.9.9. If full payment or satisfactory proposals are not received within 28 days of making a demand for full repayment, we may disclose this information about you to credit reference agencies. Please see term 4.8.5 for details of how this may affect your credit rating.

4.10. Death

- 4.10.1. If we receive notice of your death, we may terminate your Account in accordance with our bereavement procedure, details of which are available on request. Where you have a joint Account the Agreement will continue in respect of the surviving Private Banking Client.

4.11. Notices

- 4.11.1. Any notice, demand or communication given under these Terms or any transaction to which they apply shall, in the absence of any express agreement and except where we shall give general notice in the press, be in writing and shall be deemed to be duly served if left at, or sent to, your correspondence address or the email address last communicated to us by you.
- 4.11.2. Any such notice, demand or communication shall be deemed to be received, if sent by first class mail, two Business Days after posting, if sent by second class mail, three Business Days after posting, or five Business Days in the case of airmail, if sent by email, at the moment of dispatch, if left at your correspondence address, at the time of delivery. In the case of a joint Account, we may give notice to either or any of the joint Account holder(s).

4.12. Language

We will only write to and communicate with you in English.

4.13. No waiver

If we fail to exercise a right or remedy under these Terms, such failure will not prevent us from exercising other rights and remedies or the same type of right or remedy on a later occasion.

4.14. No minimum duration

There is no minimum duration of our Agreement.

4.15. Agents

You agree that we may at any time appoint agents or subcontract or outsource some or all of the services that we provide to you.

4.16. Our records

Save in the case of an obvious error, our records will be conclusive evidence of your dealings with us in connection with your Account and related services. You agree that you will not object to the admission in evidence of our records in any legal proceedings on the basis that our records are not originals, are produced by computer, or are not in writing.

4.17. Assignment

4.17.1. Unless we agree otherwise, you may not assign, novate or transfer your rights and obligations under the Agreement.

4.17.2. We may assign, novate or otherwise transfer our rights and obligations under the Agreement.

4.18. Severability

If any provision of these Terms is held to be unlawful, invalid, or unenforceable, that provision shall be deemed severed and the lawfulness, validity and enforceability of the remaining provisions of these Terms shall not be affected.

4.19. Recording of communications

We may monitor and record your telephone calls and electronic communications between you or a Cardholder and us, for your protection and/or quality control and monitoring purposes.

4.20. FSCS

4.20.1. We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses, are covered by the scheme. In the event of our default or insolvency where you are an eligible depositor you may be entitled to make a claim to the FSCS. Our Information Sheet and Exclusions List are available on our Website. In respect of deposits, an eligible depositor is generally entitled to claim up to £85,000. This amount applies to all the bank's trading names. Arbuthnot Latham & Co., Limited also trades under the name of Arbuthnot Direct. This means that all eligible deposits with Arbuthnot Latham & Co., Limited and Arbuthnot Direct are in total covered up to £85,000. Certain depositors are excluded.

4.20.2. For joint Accounts each Account holder is treated as having a claim in respect of their share so, for a joint Account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's Accounts with the bank including their share of any joint Account, and not to each separate Account.

4.20.3. For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask your Private Banker or refer to the FSCS website www.fscs.org.uk or call the FSCS on +44 (0)20 7741 4100 or +44 (0)800 678 1100.

2. Services

2.1. Subject to the remainder of these Terms and the terms applicable to the Digital Banking Service we may offer you the opportunity to enter into FX Transactions with us, in such currencies as may be agreed from time to time between you and us.

2.2. Our services in respect of FX Transactions can be accessed via the FX Portal, by telephone or as otherwise specifically agreed with you.

2.3. We will normally enter into FX Transactions with you as principal unless we inform you that we are acting as your agent generally or in respect of a particular FX Transaction.

2.4. FX Transactions entered into between you and us pursuant to this Appendix will be undertaken on a non-advised basis. We will not provide advice or assess the suitability of any FX Transaction.

2.5. You accept that the decision to enter into an FX Transaction is your responsibility and we will not advise on such transactions.

2.6. You acknowledge and agree that in relation to FX Transactions entered into between you and us pursuant to these Terms:

- 2.6.1. the FX Transactions will not be traded on a Trading Venue;
- 2.6.2. the FX Transactions are used as a means of payment for specific goods or services or to make a direct investment;
- 2.6.3. the FX Transaction will involve delivery by the seller and receipt by the purchaser of the subject of the FX Transaction;
- 2.6.4. You are not a financial counterparty as defined in Article 2 (8) of EMIR.

2.7. Each FX Transaction will be governed by these Terms and, in particular, the provisions set out in this Appendix. In the event of any inconsistency between this Appendix and any other provisions of these Terms, this Appendix shall prevail.

2.8. Time will be of the essence in respect of all obligations of yours under or in connection with this Appendix and any FX Transaction. This means that the specified times and dates in respect of payment obligations are vital and mandatory. Any delay will constitute a Default Event.

3. Risk warnings

3.1. You should only engage in FX Transactions if you are prepared to accept a high degree of risk and in particular the risks described below.

3.2. Entering into FX Transactions may expose you to the risk of adverse changes in exchange rates. Exchange rates can be volatile and are driven by a variety of factors affecting the economies of the jurisdiction whose currencies are the subject of the FX Transactions.

3.3. You should be aware that you may suffer a total loss of any Margin deposited with us. If the applicable market moves against you, you may be called upon to deposit substantial additional Margin at short notice to maintain the position. If you fail to do so within the time required the position may be closed out under Paragraph 13.2 at a loss to you and you will be responsible for the resulting Liquidation Amount.

3.4. Any Liquidation Amount owed by you to us may be significantly in excess of the amount of Margin which has been deposited by you with us, and you will be liable to pay the excess in full to us.

4. Your representations and warranties

4.1. You agree that each time you enter into an FX Transaction with us you will be deemed to warrant and represent to us that:

- 4.1.1. you are acting as principal and, in entering into any FX Transaction with us, you are either the sole beneficial owner or, where you act on behalf of any third party, that you have the requisite authority and capacity from such third party to enter into any FX Transaction;
- 4.1.2. the obligations created under each FX Transaction are and will be binding on you and do not breach any other agreement by which you are bound;
- 4.1.3. you have read these Terms and understand the risks of each FX Transaction entered into and you are willing to accept, financially or otherwise, those risks;
- 4.1.4. each FX Transaction you enter into is solely to facilitate payment for identifiable goods, services or direct investment and not for other investment purposes such as for example, an FX Transaction entered into on a speculative basis for the purpose of making a profit); and
- 4.1.5. the information provided by you in relation to each FX Transaction entered into by you is accurate and complete in all material respects.

5. Instructions relating to FX Transactions

5.1. We will enter into FX Transactions with you on your instructions made via the FX Portal, by telephone or as otherwise specifically agreed with you.

5.2. We may request further information from you at any time to clarify your specific instructions in relation to any FX Transaction.

5.3. If you are a joint Account holder we are authorised to act upon the instructions of any Account holder either made via the FX Portal, by telephone or as otherwise specifically agreed with you and such instructions will bind the other joint Account holder(s).

5.4. Your instructions to enter into an FX Transaction with us constitute an offer by you to enter into such FX transaction with us and must include, without limitation:

- 5.4.1. the currency and the amount of such currency you wish to buy or sell;
- 5.4.2. the type of FX Transaction; and
- 5.4.3. the proposed Settlement Date.

5.5. You acknowledge that we will rely on the instructions that you have provided to us. Following our acceptance of your instructions in relation to an FX Transaction the instructions cannot be amended, altered or cancelled without our written consent (such consent will not be provided where we have acted on your instructions).

5.6. You acknowledge that when you appoint an Authorised User to provide us with instructions relating to FX Transactions via the FX Portal, they may have unlimited authority to give us instructions on your behalf and that you will be responsible for their actions or omissions as if they were your own action or omission, until such time you request we revoke or vary that authority.

5.7. We reserve the right to refuse to accept any instruction in respect of an FX Transaction and we are not obliged to enter into an FX Transaction should we decide not to do so.

5.8. Acceptance by us of an instruction by you to enter into an FX Transaction will be evidenced by the issue by us of a confirmation as provided for in Paragraph 10.

6. Payment Netting

All FX Transactions you instruct us to enter into are subject to payment netting. Where you instruct us to enter into an FX Transaction with the same currency and Settlement Date as an existing FX Transaction each party shall aggregate the amounts of such currency to be delivered to the other party. Only the difference between these aggregate amounts shall be delivered by the party who owes the larger aggregate amount to the other party. On the date the aggregate amount is delivered each party's obligation to make payment of such original amounts will thereby be automatically satisfied and discharged. If the aggregate amounts are equal no delivery of that currency shall be made.

7. Settlement

7.1. On each Settlement Date you shall pay or deliver to us the full amount due, if any, under each FX Transaction to be settled on that Settlement Date, together with any commissions or transfer charges which may apply. Payments made by you to us will be made in full without set off, counterclaim or deduction.

7.2. All payments to be made by us to your Account upon the maturity of an FX Transaction will be made on the relevant Settlement Date or as soon as reasonably possible after the maturity of that FX Transaction.

7.3. We may require you to open one or more Currency Accounts in the currency or currencies of any FX Transaction requested by you. All payments will be made in the currency of the FX Transaction as set out in the confirmation of the FX Transaction. Such payments will be to your relevant Account or Currency Account as we, in our sole discretion, may determine.

8. Spot Transactions and rollover

In respect of Spot Transactions you may instruct us to rollover a Spot Transaction by giving proper instructions in good time to enable us to carry out those instructions in accordance with the time zone of the relevant currency or currencies on an FX Business Day.

9. Margin

9.1. Upon our request you shall deposit and maintain such Margin in your Account(s) in the currencies and amounts as we may require in our absolute discretion. We may require you to deposit Margin in addition to any Margin previously requested for either the same or a different FX Transaction and in addition to any other security required from you under any other agreement between us.

9.2. If you have instructed us to enter into more than one FX Transaction we may aggregate the calculations of Margin, but are not obliged to do so.

9.3. For as long as any FX Transactions are outstanding you may not withdraw deposits paid by way of Margin without our consent which may be given or refused in our absolute discretion.

9.4. All Margin provided by you to us may be transferred to us pursuant to Paragraph 14 in the event that we incur any liability or loss in respect of an FX Transaction where you fail to fulfil your obligations under these Terms.

9.5. We will not pay interest on any Margin held by us unless separately agreed.

9.6. For the avoidance of doubt your liability under an FX Transaction shall not be limited to the Margin deposited with respect to such FX Transaction.

9.7. Any failure by you to deposit Margin when requested by us will constitute a Default Event entitling us to exercise our rights as set out in Paragraph 13.

10. Confirmations

We shall provide or make available to you a confirmation of the execution of each FX Transaction no later than the first Business Day following the Business Day on which the FX Transaction was entered into, by post, email or via the Digital Banking Services as agreed with you.

11. Charges

You agree to pay our fees and which may be levied from time to time as set out in the Fee Information Document.

12. Interest on overdue amounts

Any amount payable by you to us under this Appendix which is not paid on the due date shall bear interest as set out in the Interest Rate Schedule.

13. Default Events

13.1. We have the right to terminate or suspend our Agreement with you under term 4.9. If we so terminate or suspend our Agreement with you, and/or if an event specified in term 4.9.3 occurs, such termination, suspension or event shall constitute a Default Event.

13.2. We may choose to close-out all FX Transactions outstanding on the date of a Default Event.

13.3. Specifically, upon a Default Event we may designate by notice (immediate or otherwise) to you a Closing-Out Date. Upon the occurrence of a Closing-Out Date:

13.3.1. neither party shall be obliged to make any further payments or deliveries under each FX Transaction which would, but for this Term, have fallen due for performance on or after the Closing-Out Date and such obligations shall be satisfied by settlement (whether by payment, set off under Paragraph 14 or otherwise) of the Liquidation Amount;

13.3.2. we shall on, or as soon as reasonably practicable after, the Closing-Out Date for each outstanding FX Transaction determine

and aggregate each payment owed by you as positive amounts and each delivery owed by us to you as negative amounts to produce a single, net positive or negative amount denominated in sterling, the Liquidation Amount;

13.3.3. if the Liquidation Amount is a positive amount payable by you to us you shall pay such amount to us to a bank account notified by us to you in writing. If the Liquidation Amount is a negative amount payable by us to you, subject to Paragraph 14, we shall pay such amount to you to a bank account in your name in the UK or EU as notified to us by you in writing; and

13.3.4. the amount payable by one party to the other party pursuant to this Term shall be paid in sterling by the close of business on the second Business Day following notification of the Liquidation Amount by us to you.

14. Set-off in relation to FX Transactions

14.1. The provisions of this Paragraph 14 are in addition to and without prejudice to our rights under term 4.6 and any other right of set-off or similar right we may have by law or regulation.

14.2. We may on, or after, the occurrence of a Closing-Out Date and the determination of the Liquidation Amount set off any obligation owing from you to us (whether payable at such time or in the future) in connection with this Appendix or any FX Transaction against any Margin and/or credit balance on your Account or any other obligation owing by us to you (whether payable at such time or in the future). This will apply regardless of the place of payment, booking branch or currency of the obligation.

14.3. Where you have entered into an FX Transaction under this Appendix, we shall be entitled at any time and without notice to you to take all or any of the following steps:

14.3.1. open a new Account in your name and debit that or any other Account with any amount or liability due to us; and

14.3.2. combine or consolidate, regardless of currency, all or any of your Accounts with us and set off any amount standing to the credit of such Accounts including any Margin by applying any credit balance in or towards payment of any amount due to us.

14.4. We shall be entitled to make any necessary currency conversion at the then prevailing spot rate of exchange for such currency as determined by us.

14.5. Where you are a Personal Client we will give you 14 Days' notice before we exercise any rights of set off under the Terms and this Appendix.

15. Joint Accounts

For the avoidance of doubt, term 2.1.2 shall apply for the purposes of FX Transactions.

16. Disruption Event

16.1. A Disruption Event is an event that either generally makes it impossible or makes it impossible for a party to the FX Transaction to:

16.1.1. convert one currency, the Affected Currency, into the other currency in the country of origin of that Affected Currency through customary channels, except where such impossibility is due solely to the failure by that party to comply with any law, rule or regulation (unless such law, rule or regulation is enacted after the trade date of the FX Transaction and it is impossible for such party, due to an event beyond the control of that party, to comply with such law, rule or regulation);

16.1.2. deliver:

a) the non-Affected Currency from accounts inside the country of origin of the Affected Currency to accounts outside such country; or

b) currency to a party that is a non-resident of such country;

c) in each case, except where such impossibility is due solely to the failure by that party to comply with any law, rule or regulation (unless such law, rule or regulation is enacted after the trade date of the FX Transaction and it is impossible for such party, due to an event beyond the control of that party, to comply with such law, rule or regulation); or

d) obtain a sufficient amount of the Affected Currency in the country of origin of the Affected Currency in order for a party to perform fully its obligations under the FX Transaction, as a result of the general interbank exchange market in the country of origin of the Affected Currency becoming illiquid.

16.2. If we determine that a Disruption Event occurs or has occurred and is continuing in respect of an FX Transaction, the fall-back determination mechanism described in Paragraph 16.3 shall apply as an alternative basis for the settlement of that FX Transaction.

16.3. The fall-back determination mechanism in the case of an FX Transaction is that the party, whether you or us, that is obliged to pay the settlement amount will instead pay an alternative currency agreed between you and us (or failing that an amount in any of sterling, euros or US dollars as determined by us in our absolute discretion) equal to the quantity of the Affected Currency owed on the Settlement Date. The interest as set out in Paragraph 12 will be payable, if applicable, in the agreed currency.

17. Reimbursement

Except in the case of our gross negligence, fraud or wilful default, you shall reimburse and fully compensate us in respect of any loss, cost, liability, action or expense in relation to all FX Transactions entered into on your instructions or FX Transactions we entered into because we acted on what we reasonably believed to be instructions from you.

18. Liability

To the extent permitted by law, regulation and the FCA Rules and save as otherwise expressly provided in these Terms we shall not be liable for any losses, liabilities, costs, claims, damages, expenses, demands or taxes incurred or suffered by you directly or indirectly as a result of any FX Transaction other than those which have arisen directly as a consequence of our gross negligence, fraud or wilful default.

19. Changes to this Appendix

For the avoidance of doubt, the provisions of term 1.7 shall apply in respect of changes by us to this Appendix.

For business. For family. For life.
